PRELIMINARY AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Prior to an examination on the merits of the above-identified application, please enter the following amendments:

IN THE CLAIMS:

Please amend the claims as follows:

- 1 4. (Amended) The gas discharge panel production method of Claim 2, wherein
- 2 in the surrounding unit forming step, a connection path which connects inside of the
- 3 surrounding unit to outside of the surrounding unit is formed in the surrounding unit, and
- 4 in the pressure adjustment sub-step, gas is exhausted from inside of the surrounding unit
- 5 to outside of the surrounding unit via the connection path.
